Integrate in the EDUREFORM Curricula Team as Innovation Managers, four young talents at Indian consortium universities.

The mission of the EDUREFORM Innovation Managers will be to outreach the highest number of stakeholders dealing with education system in India.

As explained above, the Innovation Managers would contribute to expand the impact of the project, becoming the backbone of the EDUREFORM sustainability plan. The Innovation Manager will participate in the preparation and implementation of projects' milestones and events. Each Indian and European institution would appoint an experienced tutor to ensure the productivity of the Innovation Managers. As training and empowering measure, the Innovation Managers would participate to the 2nd and 3rd Empowerment Camp. Innovation Managers would acquire international exposure – analyzing how teacher education is conducted at European HEIs, and investigating innovative teaching methodologies which could mitigate the impact of the fourth industrial revolution on Indian labor force. To ensure the creation of synergies and interdependences between the Innovation Managers, the young talents would hold regular videoconference meetings, with the following objectives:

Coordinate: ensure the correct circulation of information, ideas and exchange of best practices.

- Plan joint activities merging their expertise and ideas.

The Innovation Managers would play a pivotal role in the execution of all the projects' activities:

- Support Indian HEIs and schools in delivering academic modules and vocational trainings.

- Coordinate the creation of the know-how Manual EDUREFORM: Reforming Teacher Education.

- Be active actors in the creation of the EDUREFORM MOOC DISTANCE LEARNING – vocational e-training for in-service teachers.
- Help projects partners to execute the visibility events/outputs of the projects.
- Organize additional dissemination and exploitation events/outputs.
- Contribute to the intellectual outputs of the project (e.g. prepare scientific papers, article for magazine, attend conference, etc.)

Key outputs and outcomes:

- Long term investment: include young human resources in the projects' team.
- Provide full time experts entirely dedicated to the qualitative implementation of the work packages. Provide impetus and enthusiasm in the EDUREFORM team.
- Empower human resources which would have strategic interest in the continuation of EDUREFORM activities after the funded period.
- Create young leaders to ensure durable institutional impact of EDUREFORM at Indian HEIs.

Salary

The Innovation Manager will work 240 days a year (20 days a month), with 33 Euro/ INR 2587 per day, INR 6,21,086 per year. (Final decision will be taken by Selection committee)

What we offer you

We are committed to creating a diverse and inclusive workplace where all employees feel that they can be the real and authentic selves whilst being treated with dignity and respect. We are an equal opportunity employer who will review your application based solely on your skills, experience & potential.

How to Apply - Applicant should send their application at soesppu@gmail.com and upload a **CV with scanned copies of all relevant documents** pertaining towards educational qualification, work experience certificate (if any) and a **separate motivation letter** in a single PDF file to explain your personal motivation to apply for this job. Without **both** of these your application will be incomplete.

Last date of Application- 18 June 2021
